www.dnmm.org

STAGES participants are young people with disabilities who have been referred by teachers, parents, and various agencies. Students meet with transition specialists in small groups and in one-on-one settings throughout the school year.

PROGRAM FOCUS:

- ◆ Home Living Skills
- ◆ Personal and Relational Skills
- ◆ Community Awareness
- ◆ Money Management
- ◆ Employment Prep
- ◆ Health and Safety
- ◆ Citizenship

Gain the confidence and skills you need for life after high school.
